

## 8<sup>th</sup> Grade Community Service Project

Dear Parent/Guardian,

This year your child will be asked to reflect and answer the 8<sup>th</sup> grade essential question: “What makes a good citizen of our community?” Students will be given an opportunity to volunteer a minimum of 12 hours to their community: nation, state, city, neighborhood, or school. This project is a school requirement in order for your child to participate in the end of the year promotion activities

We, the 8<sup>th</sup> grade teachers, hope you, the parents, will get involved with this valuable project. We feel that through volunteer community service, our students will become better “citizens of the community” and through the experience will take a step toward becoming more generous, caring leaders of the community.

Importantly, please be the “eyes and ears” of the 8<sup>th</sup> grade staff where your child’s efforts on this project are contributed. Students will work on a variety of projects selected from community agencies. We ask that you carefully observe your child’s selection of a volunteer undertaking and that you ensure it is indeed a safe and appropriate activity. Please talk to the people who will supervise your child’s efforts, provide safe transportation, and carefully monitor all aspects of your child’s volunteer work.
