GOLF SAFETY RULES/ CONTRACT

1. Follow all rules set by your instructor.
2. Do not swing a golf club until you have been instructed to do so. Always look around to see that no one is close by and within range of your swing.
3. Be careful where you walk while other people are taking their swings.
4. Stand well away and out of range of a player taking a swing (sit in hula hoop when instructed).
5. Do not swing a golf club so the follow through of the swing is traveling toward anyone.
6. If you hit a foam golf ball that is traveling toward someone, call "FORE".
7. Wait for the signal from your instructor before retrieving balls.
8. Accidents occur because of carelessness, lack of awareness, or lack of knowledge. Always look around and be safe.

* If you break any of the rules (minor offense) you will sit out that day of the golf lesson. If it happens a second time and/or a major offense occurs you will sit out the rest of the unit for the dangerous actions toward yourself and/or others.

Please cut off at the dashed line, have you and your parents (guardian) sign, date, and return to your instructor on or before February, Thursday, 14th.
